BIKE RACKS

Dear Residents:

Please note that additional bike racks have been installed. One bike rack is on P1 (parkade stall 21/22) for guests and residents to use. A second bike rack, for residents use only, is on P2 in the area between visitors stall 137 and stall 104.

These racks are first come first serve and residents are reminded to properly lock their bicycles to the bike rack.

Bicycles are not to be brought into the lobby as per bylaws 38.7 & 38.9 which state:

38.7 A resident must not bring bicycles into elevators or hallways.

38.9 A resident must ensure that bicycles enter or leave the building only by means of an entrance to the parking garage.

Any resident observed bringing a bicycle into the building is subject to a \$ 200.00 fine as per bylaw 38.10.

Thank you for your cooperation.
